

The 17th China International Machine Tool Show (CIMT2021)

Post Show Report

Exhibition Recap

The 17th China International Machine Tool Show (CIMT2021), sponsored by China Machine Tool & Tool Builders' Association (CMTBA), and co-organized with China International Exhibition Center Group Corporation (CIEC) was held from April 12th-17th, 2021 in China International Exhibition Center (New Venue) successfully. The theme of CIMT2021 was "Win the smart future together". As the first show of globally premium machine tool exhibition held in the post pandemic, CIMT2021 has drawn great attention from the global industry, which was meeting point for users in the field of manufacturing technology from all over the country and domestic & overseas machine tool manufacturers to carry out a large number of fruitful technical exchanges and trade cooperations. The exhibition was successful in a safe and orderly manner, both exhibitors and visitors were satisfied with the effect which was far beyond their expectation.

The exhibition occupied all of the 8 permanent exhibition halls in China International Exhibition Center (New Venue) and 4 temporary exhibition halls on east side of the venue, the total exhibition area was 135,000 square meters. There were 1,523 exhibitors from 27 countries and regions participating in the exhibition. Among them, 878 were from domestic and 645 were from overseas, the exhibition area of domestic and overseas exhibitors accounted 51.5% and 48.5% respectively. The total number of the visitors reached 200,000, and the accumulative person-time of entering exhibition halls reached 262,000.

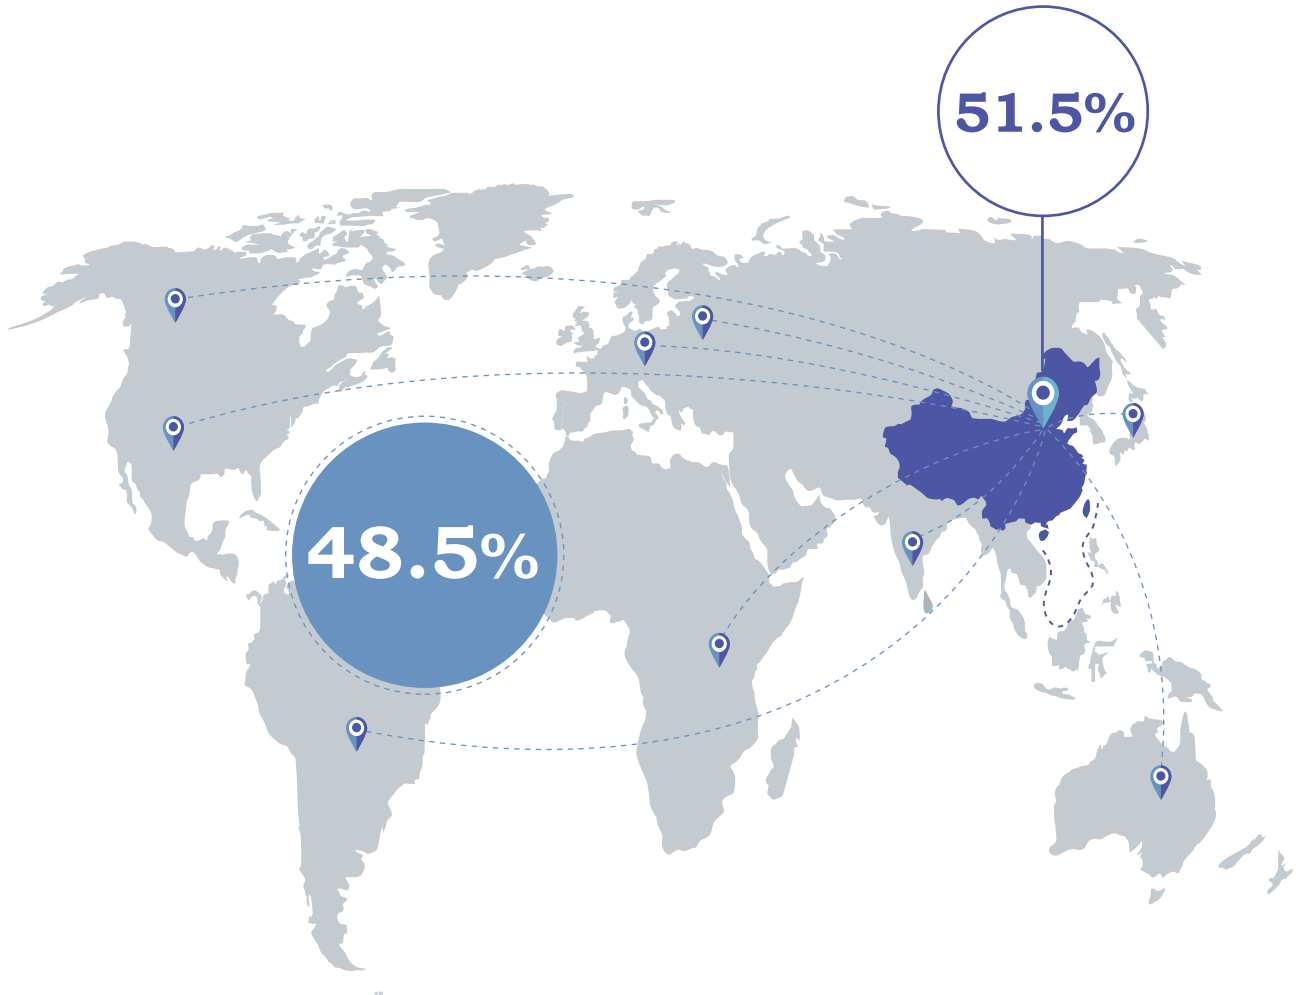

CIMT2021 Exhibition Hall Floor Plan

- E1** — Gear Cutting Machine; Industrial Robot and Automation Equipment; CNC System; Digital Display Device
- E2** — Taiwan Region Pavilion; Inspection and Measuring Equipment; Cutting Tool, Fixture and Related Products
- E3** — Lathe; Grinding Machine; Boring Machine; Machining Center; EDM; Cutting Tool, Fixture and Related Products
- E4** — Japan Pavilion; Korea Pavilion; Spain Pavilion
- E5** — CNC System; Accessory; Function Unit; Spindle; Software
- E6** — Taiwan Region Pavilion; Cutting Tool, Fixture and Related Products; Abrasive and Grinding Tool; Super-Hard Material
- E7** — Cutting Tool, Fixture and Related Products
- E8** — German Pavilion; Japan Pavilion; Accessory; Cutting Tool, Fixture and Related Products
- W1** — U.S. Pavilion; Italy Pavilion; U.K. Pavilion; Czech Pavilion; France Pavilion; India Pavilion; Hong Kong Region Pavilion; Korea Pavilion
- W2** — Forming Machine; Laser Processing Machine
- W3** — German Pavilion; Swiss Pavilion;
- W4** — Machining Center; Milling Machine; Lathe; Inspection and Measuring Equipment; Accessory; Electric Equipment for Machine Tool

Exhibitors Statistics

Exhibition Area of Domestic and Overseas Exhibitors
Accounted 51.5% and 48.5% Respectively

There were 1,523 exhibitors from 27 countries and regions participating in CIMT2021. Among them, machine tool associations and trade promotion organizations from 13 countries and regions organized pavilions to participate in the exhibition, they were Germany, France, Korea, Czech, USA, Japan, Swiss, Spain, Italy, India, UK, Taiwan region and Hong Kong region. There were 10 sub-association of CMTBA organized product pavilions to participate in the exhibition, they were Tool Makers' Sub-Association,

Non-Traditional Machinery Builders' Sub-Association, Computer Numerical Control System Makers' Sub-Association, Spindle Makers' Sub-Association, Tooling Functional Components Makers' Sub-Association, Digital Readout Unit Makers' Sub-Association, Machine Tool Accessory & Attachment Makers' Sub-Association, Machine Tool Electric Apparatus Makers' Sub-Association, Superhard Material Makers' Sub-Association, and Abrasive Product Makers' Sub-Association.

Visitors Statistics

A total of **122,036** trade visitors from **18** countries and regions visited the exhibition, of which **99.87%** were domestic visitors, while **0.13%** were overseas visitors. The total person-time of entering exhibition halls reached **261,639**.

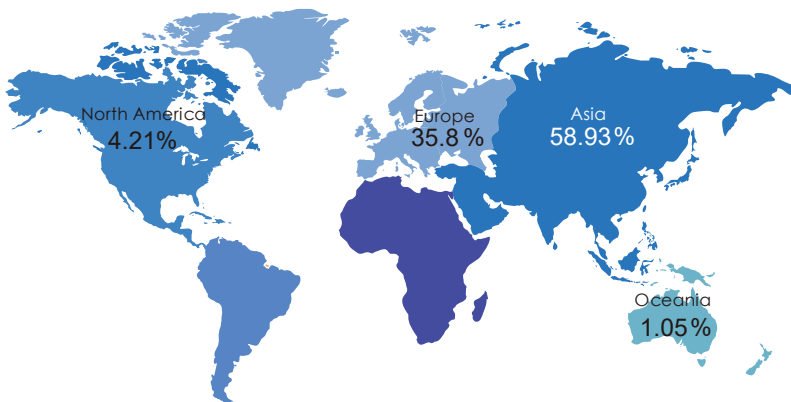

Influenced by COVID-19, the travel of personnel in domestic and overseas was restricted, especially in the past, the relatively high proportion of the buyers and visiting groups from Korea, Japan, India, Southeast Asia and Taiwan region reduced significantly, leading to a **11.74%** decrease in the total number of visitors. Although the number of overseas

visitors was affected, all user industries and enterprises in the domestic and overseas trade system sent professional purchasing groups with direct procurement plans. Meanwhile, under the requirements of pandemic prevention, visitors entered the exhibition hall through the real name system. Almost all of visitors came to the exhibition were trade visitors, they all came to the exhibition with goals and tasks, made plans in advance, and carried out equipment procurement, investigation and exchange, so as to further improved the visitor quality of CIMT2021.

Daily Visitors

Overseas Visitors

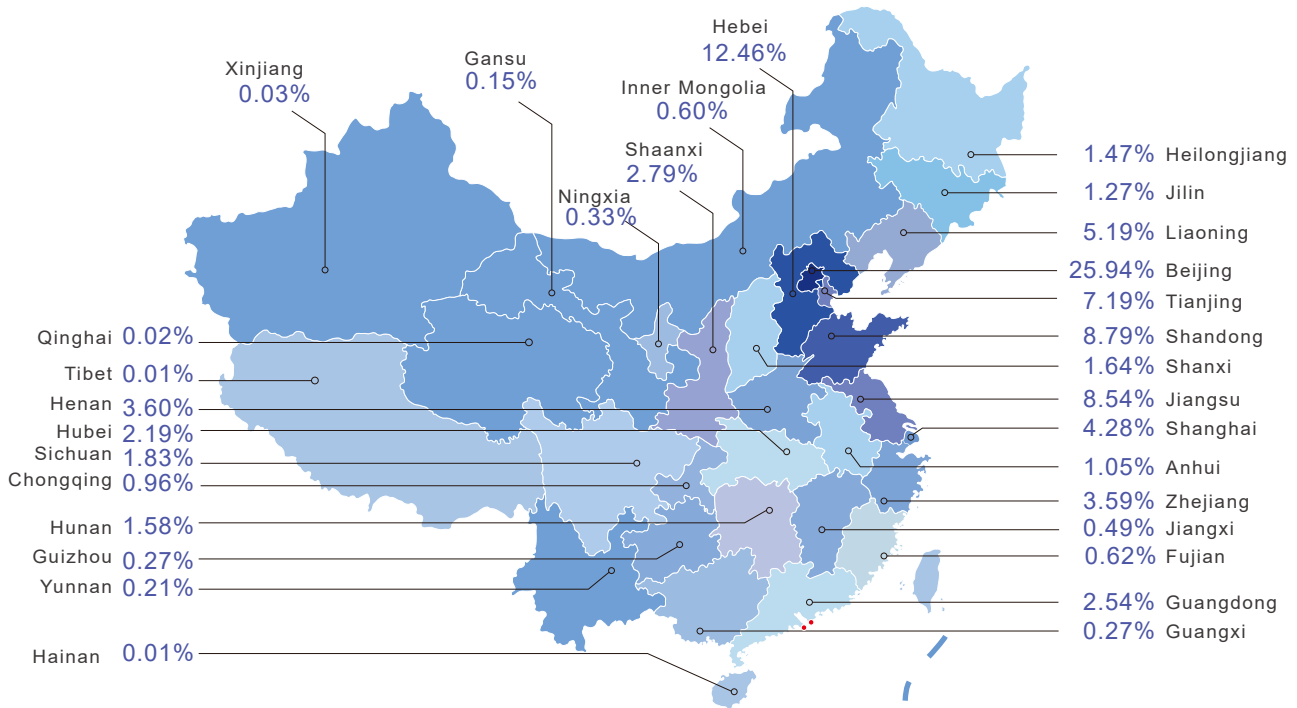

Visitors from domestic and overseas

Overseas trade visitors were mainly from Asia and Europe. The top 10 countries and regions were Hong Kong Region, Taiwan Region, Germany, Korea, Japan, Russia, UK, Switzerland, USA, Italy.

Visitors Statistics

Proportion of Domestic Visitors from Different Provinces

Domestic trade visitors were from 31 provinces, cities and autonomous regions. The top 10 of them were Beijing, Hebei, Shandong, Jiangsu, Tianjin, Liaoning, Shanghai, Henan, Zhejiang and Shaanxi.
